

Week One

Large Group

Game: Is It True?

Supplies

- “Is It True Game Slides” (see “Additional Resources” folder)

Setup

- Load the game slides in the presenting software of your choice ahead of time.

How to Play

1. Everyone can play.
2. For each round, a slide will come up on the screen with a statement. The kids will vote if they think it’s true or not by doing the action that is on the screen that goes with their answer.
3. After all the kids have had a chance to vote by doing the actions, reveal if the statement was true or not.
4. Keep playing until you run out of slides.
